QUADRUPLE TRAFFIC FATALITY CRASH

On October 18, 2015 at 4:21 a.m., Cedar Park Police and Fire responded to a crash in the 1700 block of North Bell Blvd. The collision occurred when a 2007 GMC pickup truck going northbound struck an electric pole, killing four people in the car.

The four passengers were all pronounced dead on scene while the driver of the vehicle, 20-year-old Cristobal Mares Guerrero, was transported to an area hospital with non-life threatening injuries.

The four decedents have been identified as 25-year-old Andres Godinez and his 19-year-old brother Mario Godinez, both of Cedar Park; and 30-year-old Enrique Guerrero-Rodriguez and 29-year-old Roberto Mares Guerrero of Leander, Texas.

This remains an open investigation. The Cedar Park Police Department's Traffic Division is continuing to gather information to determine the cause of the crash.

The City of Cedar Park has had seven traffic fatalities this year.
